THE FINE PRINT

Filing out the attached card and turning it in isn't a binding commitment that means you're forever and ever tied to volunteer until Kingdom come.

No way! It's just your way of saying, "Hey, I think I might be good at this. I want to try it out." The goal is for you to be connected and fulfilled. Not roped in and stressed out.

If you try something and it's not a fit, something else will be. There's a place here for you. So mix it up.

try something new.
